SUBJECT: SATAjet 300 RP/SATAjet RP Digital Paint Spray Guns

Dear Mr. Bunk:

The Kern County Air Pollution Control District is in receipt of your letter and the South Coast Air Quality Management District (SCAQMD) transfer efficiency approval for SATAjet 3000 and SATAjet 3000 Digital paint spray guns. Your letter states that you would like sales approval of the subject SATAjet 3000 spray guns in the District.

Based on the SCAQMD Rule 1151 Transfer Efficiency approval of the SATAjet 3000 spray guns, the subject spray guns achieve the minimum 65% transfer efficiency. Therefore, based on the submitted report, the SATAjet 3000 spray guns comply with District Rules 410.4 (Surface Coating of Metal Parts and Products) and 410.4A (Motor Vehicle and Mobile Equipment Refinishing Operations), and can be utilized for surface coating operations within the District.

Thank you for your submittal. The District shall retain all submitted information for our records. Should you have any questions, please telephone Glen Stephens of our office at (661) 862-5250.

Sincerely,

David L. Jones
Air Pollution Control Officer
